Selling work by Consignment at the T.Arts Gallery Bathurst

T.Arts Gallery is an Artist run, not for profit Co-operative run entirely by volunteers. The Gallery is always on the lookout for high quality gift lines and occasionally wall art. We can provide a continuous presence for artists and artisans, to augment their exposure through other means, like markets or online.

Our Gallery is open 6 days and has EFTPOS facilities, and takes Laybys, which facilitates sales to customers who would hesitate otherwise.

We are in a prominent position in Keppel Street, Bathurst, where we have found that browsers are drawn to the Cafés in the locality and specialty shops.

We promote our Gallery through our website, Facebook, Instagram, Arts out West, and the Information Centre in order to broaden our reach.

If you are interested in selling on Consignment, download the *Consignment Agreement* to read, and submit this form along with examples or images of the work you propose to sell. The decision to stock your work on Consignment is taken at one of our monthly meetings, and the result will be communicated to you as soon as possible after the meeting.

The quality, and originality of the submission, is a consideration. The balance of work on offer at the Gallery also determines outcomes at that time.
